**Olivia Geear** is running the Beckenham Half Marathon, on Sunday, 15th September, to raise money for Raleigh International. She will be travelling to Tanzania next summer for the month of July, as a volunteer, to help educate and enforce sanitation and hygiene plants, by supporting the construction of simple solutions to a lack of safe water and sanitation facilities for vulnerable communities, such as gravity fed water systems, water source protection and the eco-latrines. If you would be happy to sponsor her, please go to: [www.justgiving.com/crowdfunding/oliviageear](http://www.justgiving.com/crowdfunding/oliviageear)

Very many thanks to my friends in the Church family for all your prayers, support and help over the last few months. Love Ann McGill.

## Prayer for the Twelfth Sunday after Trinity

God of constant mercy, who sent your Son to save us: remind us of your goodness, increase your grace within us, that our thankfulness may grow, through Jesus Christ our Lord. Amen

---

### We remember and pray:

- For all starting school or changing schools and for all who work with children and young people; for those going to university or further education for the first time and those returning to continue their studies.
  - For those known to us who continue to have medical treatment, await surgery or test results, those struggling with anxiety and depression, those in care homes and those with increasing frailty: surround the frightened with your tenderness, give strength to those in pain, hold the weak in your arms of love, and give hope to those who are unsure how they will get through the coming days or weeks.
  - For the many activities starting up again in our church and halls over the next weeks and all those who come into our buildings.
  - For those who cannot (or cannot usually) get to church - Barbara Brand, Gaius and Nest Davies, Joe Gilbert, Joy Harris, Jean Mills, Bert Sandford, Allen Stoffel, Annette Styles, Celia Tickner, David Vevers, Bill Weddell.
- 

**Street Pastors** have been out on patrol in Beckenham High Street every Friday over the summer. Some nights have been quiet but some have been challenging. Does the presence of the Street Pastors make a difference to the High Street? Recently a police car stopped as Street Pastors were caring for someone in need and whilst waiting for an ambulance one of the PCs said he had been working in the area for 11 years and in that time he had seen the High Street change for the better on a Friday night and in his opinion this was due to the regular presence of the Street Pastors. Street Pastors often report people approaching them to thank them for their help at a previous time either in Beckenham or at another town centre. Now approaching 12 years on Beckenham High Street our loyal Street Pastors continue to be prepared to go out whatever the weather on a Friday night.

How about looking to become a Street Pastor yourself? To keep this local ministry going we need to have people joining the team. Excellent training is given to prepare Street Pastors for this work on the High Street. Talk to Conrad, Pauline, Roger, Mary, Chris, Karen, Ann, Mark, Uzo or send an email to Jenny Davis. We would all like to encourage you to become a Street Pastor. We look forward to hearing from you.
