Welcome

Hello and welcome to Christ Church Beckenham (CCB).

It's a real joy for us to meet new people.

In this leaflet you will find out some information about where to find additional support if you would benefit from this during your time with us.

Our Services

Our biggest service of the week is Sunday at 11am. Children and youth have their own time together in the church halls for CCBKids and Pathfinders (more information on our website). They run each week, except on the 1st Sunday of the month when we all stay together for All-Age service.

We'll invite you to sit or stand, if you are able to, during moments of the service. Please do whatever suits you best and what you are comfortable with.

Ask us or look on our website for alternative services, quieter ones and other activities we run during the week.

Whichever service you come to, someone will be at the door to greet you and we will be happy to have you with us.

Sensory Box

Ask one of our welcome team for the sensory box if this would support you / your child, during the service.

The sensory box has ear defenders, picture symbols and different fidget and sensory items which can be used to support your concentration and/or decrease feelings of anxiety.

Please let us know if there is anything else you would benefit from in this box.

Quiet Space

If you feel overwhelmed and need a quiet space to go to, please ask one of our welcome team members to support you with this.

We hope our environment is a friendly one for you, but understand that you may need a separate space to self-regulate.

If a child needs this space, we ask that parents accompany their children at all times.

Children and Families Minister

Kirstyn is our children and families minister and has great experience working with children and young people with additional needs, and supporting their families holistically.

Kirstyn is an advocate for raising awareness of autism within churches and has provided workshops and trainings on autism, sensory processing conditions, faith and belonging to church.

Kirstyn would love to hear from you and would love to hear of any additional things we, at CCB, can do to support you, your family member or friend with any additional needs, that will make your time with us more enjoyable and accessible.

Look out for Kirstyn, ask the welcome team where to find her or alternatively you can contact her by email:

kirstyn@ccb.org.uk
